# Renette Bodenstein & Co

## CHARTERED ACCOUNTANT (SA)

### INDEPENDENT AUDITOR'S REPORT TO THE COUNCIL OF CRUSADE FOR CHRIST

#### Report on the financial statements

We have audited the financial statements of Crusade for Christ set out on pages 6 to 14, which comprise the statement of financial position as at 31 December 2020, the statement of income and retained earnings, the statement of changes in equity and the statement of cash flows for the year then ended, and the notes, comprising a summary of significant accounting policies and other explanatory information.

#### Council's responsibility for the financial statements

The Council is responsible for the preparation and fair presentation of these financial statements in accordance with the International Financial Reporting Standard for Small and Medium-sized Entities and for such internal control as the directors determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

#### Auditor's responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with International Standards on Auditing. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

**Basis for qualified opinion**

In common with similar organisations, it is not feasible for the organisation to institute accounting controls over cash collection from donations prior to initial entry of the collections in the accounting records. Accordingly, it was impracticable for us to extend our examination beyond receipts actually recorded.

**Qualified opinion**

In our opinion, except for the possible effects of the matter described in the Basis for Qualified Opinion paragraph, the financial statements present fairly, in all material respects, the financial position of Crusade for Christ as at 31 December 2020, and its financial performance and cash flows for the year then ended in accordance with International Financial Reporting Standards.

**Other matter**

Without qualifying our opinion, we draw attention to the fact that the supplementary schedule set out on page 15 does not form part of the annual financial statements and is presented as additional information. We have not audited this schedule and accordingly do not express an opinion on it.

## **COUNCIL'S REPORT FOR THE YEAR ENDED 31 DECEMBER 2020**

The Council has pleasure in submitting its report together with the annual financial statements for the year ended 31 December 2020.

### **General review**

The organisation was established solely for the receiving of donations, for the creation and continuous funding of Christian, multi-racial community, ministering to those in need of restoration in their relationship with God, their family, church and society.

No matter which is material to the financial affairs of the organisation has occurred between 31 December 2020 and the date of approval of the financial statements.

### **Statements of responsibility**

The Council is responsible for the maintenance of adequate accounting records and the preparation and integrity of the financial statements and related information.

The auditors are responsible to report on the fair presentation of the financial statements. The financial statements have been prepared in accordance with the International Financial Reporting Standard for Small and Medium-sized Entities.

The Council is also responsible for the organisation's system of internal financial controls. This is designed to provide reasonable, but not absolute, assurance as to the reliability of the financial statements, and to adequately safeguard, verify and maintain accountability of assets, and to prevent and detect misstatement and loss.

The financial statements have been prepared on the going concern basis, since the Council have every reason to believe that the organisation has adequate resources in place to continue in operation for the foreseeable future.

These financial statements will be presented at the organisation's annual general meeting for the approval.

### **Financial results**

The results of the organisation for the year under review are fully set out in the attached financial statements and require no further comment.

### **Events after the end of the reporting period**

No material fact or circumstance, which requires comment, has occurred between the reporting date and the date of this report.

## NOTES TO THE ANNUAL FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 DECEMBER 2020

### 1. General information

The organisation was established solely for the receiving of donations for the creation and continuous funding of Christian, multi-racial community, ministering to those in need of restoration in their relationship with God, their family, church and society.

### 2. Basis of preparation and accounting policies

The basis of preparation and principal accounting policies of the company, are consistent in all material respects with those applied in the previous year, except as otherwise indicated.

#### *Basis of preparation*

The financial statements have been prepared in accordance with the International Financial Reporting Standard for Small and Medium-sized Entities. They are presented in South African Rands.

#### *Property, plant and equipment*

Property, plant and equipment are tangible assets that:

- (a) are held for use in the production or supply of goods or services, for rental to others, or for administrative purposes, and
- (b) are expected to be used during more than one period.

Property, plant and equipment is stated at historical cost less accumulated depreciation and any accumulated impairment losses. Historical cost includes expenditure that is directly attributable to bringing the asset to the location and condition necessary for it to be capable of operating in the manner intended by management. The cost of an item is its cash price equivalent at the recognition date.

The organisation adds to the carrying amount of an item of property, plant and equipment the cost of replacing parts of such an item when that cost is incurred if the replacement part is expected to provide incremental future benefits. The carrying amount of the replaced part is also derecognised. All other repairs and maintenance and servicing costs are charged to profit or loss as incurred.

Land is not depreciated.

## CRUSADE FOR CHRIST

### NOTES TO THE ANNUAL FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 DECEMBER 2020

Depreciation on other assets is charged to profit or loss so as to allocate the cost of assets less their residual values over their estimated useful lives, using the straight-line method. The following rates are used for the depreciation of property, plant and equipment:

	Useful life / Rate
Plant and equipment	5 years
Computer equipment	3 years
Office equipment	3 years
Motor vehicles	5 years
Furniture and fittings	6 years

The residual values, useful lives and economic consumption patterns for all items of property, plant and equipment are reviewed if there is an indication that there has been a significant change since the last reporting date. If necessary, the consequent depreciable amounts, rates and methods are adjusted. Any changes are accounted for as changes in accounting estimates and included in profit or loss for the current and future periods by adjusting the relevant future depreciation charges.

Gains or losses on disposal are calculated by deducting the carrying value from the proceeds on the date of disposal and are included in profit or loss.

#### *Trade receivables*

Most sales are made on the basis of normal credit terms, and the receivables do not bear interest. Where credit is extended beyond normal credit terms, receivables are measured at amortised cost using the effective interest method. At the end of each reporting period, the carrying amounts of trade and other receivables are reviewed to determine whether there is any objective evidence that the amounts are not recoverable. If so, an impairment loss is recognised immediately in profit or loss.

#### *Cash and cash equivalents*

Cash and cash equivalents includes cash on hand, demand deposits and other short-term highly liquid investments with original maturities of three months or less.

Bank overdrafts are shown separately in current liabilities.

## NOTES TO THE ANNUAL FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 DECEMBER 2020

### Trade payables

Trade payables are obligations on the basis of normal credit terms and do not bear interest. Trade payables denominated in a foreign currency are translated into South African Rands using the exchange rate at the reporting date. Foreign exchange gains or losses are included in other income or other expenses.

### Revenue

Revenue comprises the invoiced value of sales, recorded in the financial Revenue, which excludes Value Added Tax, comprises of the sale of goods, rendering of services and interest received.

Revenue is measured at the fair value of the consideration received or receivable, net of discounts and Value Added Tax.

Revenue from the sale of goods is recognised when significant risks and rewards of ownership of the goods are transferred to the buyer.

Revenue from the rendering of services is recognised on an accrual basis in accordance with the substance of the agreement.

Interest received is recognised on a time proportion basis, taking account of the principal outstanding and the effective rate over the period to maturity, when it is determined that such income will accrue to the company.

### Financial instruments

Financial instruments as stated on the balance sheet include cash and bank balances, investments, receivables, trade creditors and borrowings. These instruments are stated at amortised cost. Where there is objective evidence of impairment, provisions are made accordingly.

### Cash flows

For the purposes of the cash flow statement, cash includes cash on hand, deposits held on call with banks, investments in money market instruments, and bank overdrafts.

### Comparative figures

Where necessary, comparative figures have been reclassified to conform with changes in presentation for the current year.

### NOTES TO THE ANNUAL FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 DECEMBER 2020

#### 3. Key sources of estimation uncertainty

Determining the carrying amounts of some assets and liabilities requires estimation of the effects of uncertain future events on those assets and liabilities at the end of the reporting period. These estimates require management's most difficult, subjective or complex judgements. As the number of variables and assumptions affecting these uncertainties increases, so judgements become more subjective, and the potential for material adjustments to the carrying amounts of assets and liabilities increases.

#### 4. Property, plant and equipment
